**COLLECTIBLE OF THE YEAR 2013**

# COLLECTOR THEMES

The 2013 Collectible of the Year celebrates Windy with a whisper-thin emblem, reminiscent of Zippo's early metallique process, on a classic 1935 Replica lighter. Limited to only 35,000 pieces worldwide, a distinctive bottom stamp introduces the seal that authenticates this as a genuine Zippo Limited Edition. Each lighter is packaged in an attractive gift box with an embossed, foil-stamped lid.

Windy has been one of Zippo's most beloved icons since she was introduced in 1937, illustrating the new windproof lighter in Zippo's first national advertisement. Since that time, she has been depicted in scores of advertisements, numerous promotional pieces, and hundreds of Zippo lighter designs from all over the world.

The Zippo pipe lighter is made to the same high quality standards as a Zippo windproof lighter, but designed for the special needs of pipe smokers.

The ingenious design encases the flame in metal, allowing it to be drawn directly into the pipe without bending over the side. The result: perfectly lit tobacco, with no damage to the pipe.

# PIPE LIGHTER

The insert of a Zippo pipe lighter is exactly the same size as the standard windproof lighter insert, allowing pipe smokers who have a treasured Zippo windproof lighter the option of replacing the insert to continue carrying the favorite case.

# REPLICA 1935

The 1935 lighter, one-eighth inch shorter than subsequent models and manufactured for less than three years, has been replicated in stunning detail featuring the original look and elements that made this lighter one of the most collectible in Zippo's history. Like the original, the 1935 Replica features a three-barrel outside hinge joining the lid and bottom, an open hollow rivet that secures flint wheel to inside unit, a flat bottom case, and slashes on the opposite cor-

ners of the face and back surfaces. A distinctive bright brushed chrome finish and unique bottom stamp identify the 1935 Replica. The 1935 lighter was the last of Zippo lighter production to feature the hinge on the outside of the case. Coincidentally, 1935 was the first year that company logos were applied to the face of the Zippo lighter, leading to the creation of the Zippo ad specialty division, later known as Zippo promotional products.

Bright-cut engraving produces dazzling facets, resulting in the dimensional look of a beautiful emblem directly on the surface of these Zippo Armor lighters.

Enhanced with a personalization panel and a gold-flashed inside unit, these extraordinary lighters were the centerpiece of the Zippo Collection 2014. These lighters were created by Grant Duke, a fourth generation member of the Zippo family.
