

ZIPPO

2021 Autumn/Winter Collection

65th Anniversary Zippo Slim® Collectible

Zippo launched a major innovation in 1956. Known as a Zippo Slim lighter, it offered the same windproof performance as the classic lighter shape, but with a narrower silhouette. Zippo celebrates the 65th anniversary of the Slim lighter with a special collectible. Featuring laser engraving and laser fancy fill on a Black Ice finish, the angular pop-art design was inspired by the original packaging that Slim lighters came in.

Each lighter is consecutively numbered and has an exclusive bottom stamp which designates the lighter as a Zippo collectible piece.

Black Light Designs

Introducing a new way for your Zippo lighter to illuminate the dark – black light designs! One of the decoration methods most frequently requested by consumers is now available, debuting with these three psychedelic designs.

The new black light designs are accomplished using a specially formulated ink, which is carefully applied to select areas of the Color Image art, so that when the design is exposed to ultraviolet light (also referred to as UV or black lights), a bluish glow appears over the selected area.

Vintage Lighters

There's Nothing Old About Zippo Vintage

The success of Zippo's 50th anniversary commemorative lighter in 1982 was a strong indicator that Zippo customers and collectors were receptive to the addition of more vintage-style lighters to the product line. Zippo Vintage lighters were introduced in 1985, designed after a similar Zippo lighter created in 1937.

Distinctive features:

- Five-barrel hinge that joins the lid and the bottom; same as current Zippo lighter.
- Sides of the unit are flat, with rounded corners and edges replicating the 1935 square case.
- Flat bottom and top case with current bottom stamp.
