2021 Spring/Summer Collection

2021 Collectible of the Year

Zippo celebrates 100 years of Art Deco with the 2021 Collectible of the Year.

The Art Deco design movement blossomed in the United States during the Roaring Twenties as the perfect architectural complement to the bold and lavish era. The inventor of the Zippo Windproof Lighter, George G. Blaisdell, was heavily influenced by Art Deco when he created the Zippo lighter and designed the earliest decorated lighters with clean, elegant geometric patterns that added another layer of sophistication to the shiny chrome finish.

The 2021 Collectible of the Year pays homage to the beauty and splendor of Art Deco by combining multiple cutting-edge processes, classic elements, and a sparkling embellishment available exclusively for the Americas.

The High Polish Black Classic Windproof Lighter is transformed into an Art Deco masterpiece by 360° Laser Engraving and selective gold plating. The crown jewel of each lighter is the kite-shaped Golden Shadow Swarovski® crystal emblem, chosen exclusively for the Americas version of the collectible. Each lighter is consecutively numbered and features the special bottom stamp that denotes it as a Zippo Collectible.

Don't miss your opportunity to offer the first Zippo global collectible that is also unique and exclusive to your region – production is extremely limited.

Fight Fire with Fire. Zippo has partnered with WOODCHUCK USA to create wooden laser-cut emblem designs that will help restore and protect the forests of the world. Through the Buy One. Plant One.® initiative, for each lighter purchased, a tree is planted. Each one comes with a unique code that you can use to learn about your tree, its location, and the direct impact you're having on the planet.

To learn more about the positive impact of each Woodchuck lighter sale and the global media attention Zippo has earned from this program, visit zippo.com/buyoneplantone.

Customizable - Contact your Zippo Sales Representative for details on how to have a custom WOODCHUCK USA design created through a Design Center visit.

Make It A Pipe Lighter

Easy to order, easy to sell

Demand for pipe lighter models has risen dramatically, and continues to grow.

- Pipe lighter insert allows the user to direct and draw the yellow flame downward without scorching the pipe.
- Any regular Zippo lighter can be ordered with the pipe insert instead of the regular insert. Contact your Zippo Sales Representative for details.

Vintage Lighters

There's Nothing Old About Zippo Vintage

The success of Zippo's 50th anniversary commemorative lighter in 1982 was a strong indicator that Zippo customers and collectors were receptive to the addition of more vintage-style lighters to the product line. Zippo Vintage lighters were introduced in 1985, designed after a similar Zippo lighter created in 1937.

Distinctive features:

- Five-barrel hinge that joins the lid and the bottom; same as current Zippo lighter.
- Sides of the unit are flat, with rounded corners and edges replicating the 1935 square case.
- Flat bottom and top case with current bottom stamp.
